## FIDI - Lower East Side - Hell's Kitchen

A new job, a new city. You are going to be a New Yorker. Congratulations!! Manhattan is the world's fulcrum of people, places, and ideas. Its attractions are legendary from the best food, to the coolest people, to the craziest clubs. But, where do you unpack your

bags and call it home? Three of the most trendy Manhattan neighborhoods today are the **Financial District**, the **Lower East Side**, and **Hell's Kitchen**. All have different housing types and street life; preppy, funky, and somewhere in-between. To find your

new home and get some handy information for any one of these distinctly New York neighborhoods, contact Elaine Wong, New York Living Solutions, at [ewong@nyls.net](mailto:ewong@nyls.net), 203--947-1288, for a personal or group presentation in your home or office.
